

The Monthly Bulletin
-April 2007-

PRESIDENTS MESSAGE

Club members: This is my first Monthly Bulletin as your President and as you read you will notice some changes in format and content. I hope you like the change.

RANGE SAFETY TOPICS OF THE MONTH

All members and their guest are responsible for safe handling of firearms both on and off the firing line while at the campsite. Some things to remember:

While on the firing line never carry an unholsterd-loaded fireman behind the line.

- A firearm is only as safe as the person handling it.
- Unloaded firearms have more accidental discharges than loaded ones.

UPCOMING EVENTS

Fishing contest April 21st, 2007 at Lake Cuyamaca. The office opens at 6:30 am, for fishing permits, boat rentals and the of start fishing. The contest will end at 3:00 pm when Mark will have weigh-in at the front of the office. Come and enjoy the day with family or friends and hope the rain and snow stay away this year! Any questions call Mark Norfolk.

Annual Barbeque: Yes folks it is that time of year again, our annual Memorial weekend barbeque will be on the 27th of May. We are starting a new tradition, the prepaid adult ticket raffle; this is in addition to our regular raffle. For every adult ticket that is pre-ordered and paid, or payment postmarked no later than May 10, 2007 (See flyer with this newsletter for address) a special raffle ticket will be given. This raffle will be only for the prepaid adult ticket holders and there will be only one prize, and that is a Dutch Oven that can be used at home or the camp site, so order your tickets early to save and win.

Activities for Sat the 26th

- Horse shoes
- Scavenger hunt for the children

Some of the prizes for the regular raffle are:

- A numbered Bradford Exchange John Wayne An American Legend Stained Glass Panorama.
- Coleman cooking station table
- Outdoor rolling cooler.

The above are only a few of the prizes for this year, but there are just too many to list, there will be many more on the tables.

To make this the success that it has been and will be we need volunteers for the work party on 19th and 20th of May. Breakfast will be provided on the morning of the 20th. So come on out and lets get a little dirty and have fun getting the club ready for the big event.

NEW

We are happy to announce the Club's new web site <http://www.the-lsc.org>. The site will be used to promote club events and posting of items of interest to all club members. Please visit and provide comments. In addition club members will be able to email items of concern or suggestions to the board. Nice job on building and hosting the site Jeff and Emily Lawhorn

BRIEF SUMMARY OF THE BOARD MEETING HELD ON THE 15th OF MARCH

- **Old Business:** The new board members who were not at the installation dinner were sworn in.
- **New Business:** Committee chairs? Rich will stay on as Trap chair, Joanne handles entertainment, Chuck not at meeting to give yes for Rifle Pistol chair position. Mark Norfolk will be in charge of the fishing contest.
- Discussed and made corrections to draft 2007/2008 calendar. Several Turkey shoots proposed for Saturdays the day before some of our trophy shoots and possibly other fun shoots on that day, too. Phillip suggested we have other fun events on the Saturday nights when there are 2 days of shooting events such as potluck dinner, movies, etc. Motion made by Cat, 2nd by Phillip to accept Calendar with corrections. Included with this newsletter.

RESULTS OF INTER CLUB SHOOT

Teams present

Escondido 9 shooters 81.76%
Lakeside 11 shooters 74.57%
Lemon Grove 5 shooters 80.40%
Palomar 4 shooters 78.25%
Project 2000 15 shooters 82.07%

The guys from our shoot were:

Ken Lavigne
Kurt Jellison
Jay Workman
Rick Norfolk
Joe Howerton
Issac Norfolk
Phillip Lison
Donald Jellison
Ron Kesner
Rich Wilson
Ted Barker

We had an excellent showing for a club of our size and everyone seemed to enjoy themselves. Next inter-club shoot location and time not been determined yet.

Folks, this is YOUR club, and we encourage your input and support. There is no such thing as a dumb input to the board the only dumb input is the one that is not presented.
