

Lakeside Sportsmans Club THE BULLETIN

– April 2009 –

President's Message

Well March went out like a Lion, at least as far as the wind at the Inter-Club Shoot on the 29th. As

someone described it, Mother Nature turned on the Wobble for the Clay targets. I swear some of them were on their way to the Moon. It really did make for some very interesting shooting. Everything else was about as perfect as we could get it. We had 44 shooters from the 5 different clubs. We started at 0800 and were finished by 1330 (1:30 P.M.) Wayne Kline fixed a great breakfast assisted by Joanne Norfolk. Jean Wilson and Luwhana Kesner served a great lunch. I had a lot of fantastic help from Rick Norfolk, Bob Sorensen, Ron Kesner, Tom Brown, Ken Lavigne, Joe Howerton, Ted Barker, Kam

McClenahan and Phil Lison & Onika Miyashiro. Thanks Gang! You all helped make it a very enjoyable event.

The results were as follows:

Lemon Grove	77.65%	High Man:	Tom DeLisle	Escondido
Escondido	77.28%	High Woman:	Jan Slough	Project 2000
Project 2000	75.44%	High Junior:	Marcus Crayton	Lemon Grove
Lakeside	73.60%			
Palomar	73.50%			

I'll be putting the minutes of the Board meetings, once they are approved, on the web site for Members. I will just paraphrase for your info in the monthly Bulletin. We had one of our electric roasters from the Clubhouse kitchen go missing. Anyone knowing of its whereabouts please contact Joanne Norfolk. We need it for the BBQ. The election results of the By-Laws Change which concerned voted Ballots was passed by 92%. The new wording for the By-Laws will be "Written notice of the proposal to amend will be made to the Membership via First Class US Postal Mail. Notice will be made a minimum of 30 days prior to the Board of Directors meeting when the vote to amend will be called. Voting by the Membership will take place via First Class US Postal Mail. Quorum for the mail ballot will be 50 percent of the membership. If a quorum is not met on the mail ballot, the proposed will be deemed to have failed."

The Calendar of Events will be included with this Bulletin. The first event will be the Fishing Contest. This may very well be the last one for the club. It is the only Trophy event that doesn't pay an entry fee. The Board decided on the same fee as the trophy shooting events which is \$10.00, no charge for juniors. Right now there is no one interested in running the event so I have decided to do it myself. I'll be at the Ranger Station prior to sunrise which is about 0625 (6:25 A.M.). I'll stay at the ranger station for one hour and then I'm off to go try my luck. I'll be back at the Ranger Station from 1300 to 1400 (1:00 – 2:00 P.M.) for weigh in. If for some reason I miss you, give me a call at home. I hope to see some of you there.

There is some NRA business to announce for the near future. First, there is a Friends of the NRA fundraiser Saturday the 18th of April at the Handlery Hotel Mission Valley Hotel Circle. Go to <http://friendsofnra.org/EventDocs.aspx?eid=4735&sid=5> for info and even buy tickets online or email NRA Field Representative Lissa Davis at ldavis@nrahq.org if you have questions. If you haven't mailed in your ballot for the NRA Board of Directors Election contained in your March NRA Magazines, a local candidate, Tom Gaines from Chula Vista, is endorsed for the position by the CRPA among others. Additionally, the 138th NRA Annual Meetings & Exhibits, is May 15 -17, 2009 in Phoenix, AZ. You can call 1-877-8004NRA or visit www.nraam.org for more info.

The annual Memorial BBQ is quickly approaching and there is a lot to do and think about. The Board of Directors will be having a Board meeting at the Camp on Saturday, April 18th to discuss action items and plan for the work party in May. We will need lots of help before, during and after the BBQ. Don't be surprised if you get a call. There are lots of different ways to help. Donating items for the raffle, helping with the serving line, prepping the meat the night before, work parties, etc... There will be a flyer included with this Bulletin. Please make copies and distribute them around. Tickets are available from Joanne Norfolk or me. The following is a list of the areas for your consideration for helping out:

MEAT PREP • WRAPPING MEAT • PIT CREW • SERVING LINE • CLEAN UP • KIDS GAMES • BINGO HORSESHOES • RAFFLE SALES • COLLECT/SELL TICKETS • SPLATTER BOARDS • FINAL CLEAN-UP
Please help out and let us know. Thanks.

We are planning on doing some paint work this year at the Camp on several of the buildings. Rather than paint over old flaky paint we need a pressure washer to remove some of the old paint. If any of our members have one that could be used, it would save us the purchase or rental fees. Please contact me or the Property Manager, Rick Norfolk.

New members include Rick & Diane Clawson. They were sponsored by Bob Sorensen who will get his annual membership fees waived as a result of the membership drive. Also, Gary & Luann Workman, who were given Honorary Membership for a lot of work Gary did to get our trap range up and running after the vandalism. Thanks Gary! Welcome all to the Club. Speaking of members, please contact Joanne if you haven't made your 2009 contribution yet.

We will be having the April Board Meeting at the Camp on the 18th @ noon with hamburgers and hot dogs for lunch. Wayne Kline is the cook. Bring your own beverage of choice. Please remember we will be discussing the details of the BBQ and the work party for the BBQ.

President Rich Wilson

Calendar of Events

APRIL

SATURDAY 18 BOARD MEETING CAMP CLUBHOUSE (12:00 P.M.)
SATURDAY 25 FISHING CONTEST (0625 CHECK-IN & 1300 WEIGH-IN)
