2009 CHRISTMAS PARTY

Rich reads ticket picked while Cat looks on.

Kam & Ted admire gift.

Small turnout, but fun time. Wish you were there.

Merry Christmas & Happy New Year to one and all! Sorry we missed you at the Christmas Potluck. We had a collection of about 20 attendees for good times and good company. You missed out on some great chow and we had some great raffle prizes. With the final drawing of the Metal two long-gun case donated by the El Cajon Gun Exchange for the Memorial Day BBQ and the prizes for the potluck the club collected over \$300. The winner of the gun case was Rick Norfolk.

We had quite a bit of rain at the property during that last big storm. There was 1.5" according to the unofficial weather reporter at the property. The road is a bit rough in places so be careful when traveling to the camp.

I've been in some turmoil this past week due to some planned eye surgery which was to occur today. The special lens required didn't arrive so I've been postponed until January 5th. It's probably for the best since Jean and I are driving to Idaho for Christmas. She was fearful she would have to do all the driving. Anyway, those fears are alleviated. It's a short trip and we expect to be back for the New Year.

The results of the Centerfire Pistol Shoot, which only had six shooters, were as follows:

MEN

- 1st - Bob Sorensen
- 2nd - Rich Wilson
- 3rd - Bob Brown

Bob Brown and Bob Sorensen take aim while Ron Kesner keeps score.

Setting up knocked over targets.
