## **PRESIDENTS MESSAGE.**

It's a new year and I hope all had a very Merry Christmas and a most Happy New Year.

It is that time of year again when you the members get to elect the people that will represent you on the Clubs Board of Directors. I URGE that ALL MEMBERS vote, remember if you do not vote then please do not complain about the direction the club is going. If you have not received your ballot then please contact myself, (\*) or Joanne Norfolk, (\*) and request a ballot. For the first time in several elections we have more people running for a position on the board than there are positions available and some new names are on the ballot. So please take the time to mail in your vote. \* See membership list.

We are having a special vote that should be enclosed with this newsletter dealing with deleting "A ballot not received will be considered as a yes vote." We have to remove this since it conflicts with state law.

San Diego County is in the process of developing new rules for ALL SHOOTING RANGES and initial reports do not bode well. When more information is made available we will immediately put it on the web site <http://www.the-lsc.org>.

In an effort to get inputs from ALL MEMBERS on this issue of trailers the web site has a place to cast a vote. I urge ALL MEMBERS TO VISIT <http://www.the-lsc.org>. Follow the instructions and submit your vote.

**AGAIN I MUST EMPHASIZE UPON THE  
MEMBERSHIP TO VOTE THIS ELECTION IT IS  
YOUR CLUB.**

## **RANGE SAFETY TOPICS OF THE MONTH**

Below are just a few things to think about before one chambers that first round of the day.

1. Treat every firearm as if it were loaded.
2. Never pass a firearm to another person, or accept a firearm from another person, until the cylinder or action is open and you've personally checked that the weapon is completely unloaded.
3. Before handling any firearm, understand its operation.
4. Never rely on any mechanical device for safety.
5. Think before shooting: once you pull the trigger you can't take back the shot you've just fired!
6. Never joke around or engage in horseplay while handling or using firearms.
7. Be alert at all times; never shoot if you're tired, cold or impaired in any way. Don't mix alcohol or drugs with shooting.
