

Lakeside Sportsmans Club THE BULLETIN

- July 2011 -

PRESIDENT'S MESSAGE

Well July is here and with it warmer weather and all the joy that summer brings. I would like to mention a few things to keep in mind during outdoor activities especially up around our campground and range. Drink plenty of water and keep water with you if you go walking or hiking especially during hot weather. With all the rain this past winter there will be plenty of animals out at and around camp, including our friends the Rattlesnakes, several have been spotted at or near the camp. Just be aware of your surroundings stay safe and have a good time in the outdoors where ever you may travel this summer.

We had the hotly contested annual 22 Pistol Contest last month. We had a good turn out and a good time. We had a full field of contestants in the Iron Sight division. Rick Clawson pulled out his secret weapon to finish third, Ken Lavigne took second and Tom Brown finished in first with the high overall score for the day. We only had two shooters in the scoped division. Rick Norfolk edged out Chris Donofiro to take the scoped win.

Things are calming down for me as far as club activities are concerned so I'll take this opportunity to get on my soap box and make a suggestion for us all to make a difference in the way our State and our Nation are governed. State and Federal budgets are strained to the breaking point and make no mistake budget cuts, tax

increases and added fees are heading the way of the American Tax Payer. If you value your outdoor recreation, shooting sports, hunting, fishing, camping or other activities it is now more important than ever to join a club, association or other organization that supports your particular activity on a State and National level. Rest assured the people that want to take away your

Contestants in the June 19th 22 Pistol Shoot from left: Rick Clawson, Chris Donofiro, Bob Sorensen, Ron Kesner, Tom Brown, Ken Lavigne, Rick Norfolk and Joe Howerton.

favorite activity, or increase the fees for it are very well organized and well funded. We are a Sportsmans Club and as such we promote many outdoor activities, however as we have a shooting range and the continued use and availability of fire arms and ammunition are necessary to use the range, I would encourage people that participate in the shooting sports join an

organization that supports our Second Amendment Right to keep and bear arms. The NRA would be a good choice. If you want to join an organization that supports your activities and don't know of one or don't know how, please contact me. I would be happy to help and make some suggestions for you.

Rich Wilson is an NRA Recruiter. The club will receive a kickback for each new member and each renewal from the NRA. Contact him if you would like to renew or to join the NRA. The club is also a member of the California Rifle Pistol Association where all funds they receive stay in California for the protection

of our 2nd Amendment Rights in California.
Back to club news. We have the Big Bore Rifle
shoot on July 24 out at the range, I hope to see you there.
Coming up on August 28th is the Interclub shoot

hosted by Escondido Fish and Game Association. Cost
for this event is \$25 including lunch. Start time is
8:00 AM.
