June 2010

### President's Message

What a wonderful, gorgeous spring day it was for the Memorial Day Deep Pit BBQ My only problem was that we had so many raffle prizes I had to stand up there and shout for what seemed like forever. There were some great prizes donated by some of our members, too numerous to list. The El Cajon Gun Exchange provided some great prizes like a case of 12 gauge shot shells, several long gun cleaning vises, a Red Ryder air rifle, a couple bricks of 22 LR ammunition, etc. We had a good turn out with almost 80 meals served. On Saturday there was some pretty fierce completion going on with the horseshoe contest. Rumor has it that Phil Lison just out lasted Bob Sorensen. At least that's what Bob says about that youngster. We have an initial report that this year's effort netted over \$900.00. Joanne is still tallying up receipts and will have a final report ready for the Board Meeting on the 17<sup>th</sup>. There were several U.S. Border Patrol Agents who were able to join us as well. There were plenty of volunteers helping out as usual. The assistance to get ready starts with the work party weekend and cleaning up the camp grounds and facilities. Clint & Dorothy Schultz, Rick & Joanne Norfolk, Rick Clawson, Bob Sorensen, Jeff & Emily Lawhorn + their two little girls, Jean Wilson, Wayne Kline, Ted & Kam Barker, Phil Lison, Chris Donofiro and some I've probably overlooked. For the BBQ we had help from Joanne & Rick Norfolk & daughter Leslie, Jean Wilson, Connie Watkins, Clint & Dorothy Schultz, Ted & Kam Barker, Luhwana & Ron Kesner, Jeff Lawhorn, & Phil Lison with the splatter board. Again, I've probably left someone out and if so, I sincerely apologize. They say one of the first things to go is the mind you know. Thanks to everyone who came on out and supported the club. Your presence alone made it a big success for me. Thanks again!

We have a 22 pistol shoot coming up to sharpen up your accuracy skills with this opening trophy shooting event. There promises to be some stiff completion going there. Come on out and enjoy yourself. We also have an Inter-Club Trap Shoot at the Escondido Fish & Game Association at their range at Lake Wohlford. This is the first shoot of the new season. The Imperial Valley Club will be joining in the rotation this year. There is a flyer included with this bulletin for the Escondido shoot. It has an 8:00 A.M. start and costs \$25 which includes lunch.

Our turn to host the Inter-Club Shoot will be in August on the 29<sup>th</sup>. We will have a work party the Saturday before the Mike Alspaugh Trap Shoot to get the range ready. We have several new tables and some benches that were provided by Wayne Kaltner. They are just in time for replacing the wood tables which have served us well, but need to be retired. Thanks Wayne!

Jean and I are currently in Cleveland, Ohio. We attended a special high school graduation for our Grandson. They grow up so fast these days don't they? The trip was a little rushed but it worked out well even with pulling our trailer. We did have a close one in Illinois when we wound up uncomfortably close to some tornado activity and a torrential downpour. We will be off on a circuitous route to Nebraska for my first ever all year High School Reunion.

Rich Wilson
