## PRESIDENT'S MESSAGE

*Keep tossing that wood so the fire will be just right.*

*Where's the Beef? Wrapping crew waiting for meat.*

*Final preps before kitchen crew gets ready to serve.*

Here it is June already and our Memorial Weekend BBQ is now behind us. It took a lot of hard work by many people

to make a successful event in some challenging weather for the Sunday BBQ. As most of you know the BBQ is our "Big Event" and the success of this event is very important to the club. I don't have the numbers on it yet but, I believe it was a good event for the club and it could not have been done without all of the volunteers that gave their time and donated gifts, food and cash. A Huge Thank You to all of the people that contributed to the success of this event.

It all started the weekend prior to the BBQ with the Work party/Camp out weekend. We had Wayne Kline, Bob Sorenson, Rick Clawson, Rich & Jean Wilson, Ron & Luwhana Kesner, Rick Norfolk, and Chris Donofiro cutting weeds, cleaning the club house and getting the fire pit ready. Phil Lison was up the weekend prior to do quite a bit of work. Chris has been keeping the grounds in really good shape. The combination of Phil's work and Chris's continued effort made the work party a lot easier than I remember from past years.

To kick off the BBQ weekend on Saturday we had the Annual Horse Shoe tournament run by Phil Lison. It was a long hard fought contest and was finally won by Chris Donofiro and Rick Clawson. For the record it was not a tie or two divisions for glove and no glove, the finalists just decided to split the money and not play the

final match. Congratulations guys and I hope there were no paper cuts counting all that money.

After washing up from the horse shoe tournament we moved on to prep the Beef and Turkey on Saturday evening. We had quite a crowd on hand for this and I apologize if I leave anyone out but these are the folks I remember that were there. Rick Norfolk was cutting meat into the proper size and keeping all the dishes clean. Clint Schultz, Wayne Kline and Bob Sorenson added the seasoning. Wrapping and loading into the water filled loader bucket was handled by an assembly line of people including, Joanne Norfolk, Rich & Jean Wilson, Ron and Luwhana Kesner, Dorothy Schultz, Isaac Norfolk, Randan Marez, Chris Donofiro, Cat Rubio, Phil Lison, Debbie & Kaitlynn Brown, Ted Barker, and others that I have missed. It was quite obvious that with the planning and preparation by BBQ Chair, Joanne Norfolk, the people leading this task had done this before and it was accomplished very efficiently.

Some very unusual weather for Memorial Weekend moved in Saturday. Some very tough campers spent the cold windy rainy Saturday night in tents; others went home and returned Sunday morning. The rain let up about meal time so some were able to sit outside but most chose to sit inside the club house where it was warmer.

Food service on Sunday had Clint & Dorothy

Schultz and Luwhana Kesner dishing out the food along with a visiting long time member Aileen Perkins here from Colorado with her husband, and former President, Geno, Jean Wilson collecting dinner tickets and taking money for drinks, Joanne Norfolk handled selling raffle tickets and dinner tickets, Rick Norfolk was washing dishes and keeping the kitchen clean as he did all weekend. The food was good and there was plenty of it, I don't think anyone went away hungry. For dessert Kam McClenahan & Ted Barker brought a cake and cookies, Kaitlynn and Debbie Brown brought cup cakes.

For the grand finale we had the raffle. As usual our members came through and donated a lot of stuff for the various raffle tables. I called numbers till I about lost my voice and was helped out by Leslie Norfolk, Ted Barker, Rick Clawson, and Kam McClenahan who also helped check winning tickets. I think just about everyone won something so everyone should have gone away full and happy.

Thank you again to all of the people that gave of their time, talent and treasure to make this year's BBQ a success.

In late breaking news we had a fishing contest at the

end of April the results as reported by Rich Wilson are: There were only four adults and two children for the fishing contest. The only fish caught were by Sarah Lawhorn. Congratulations Sarah! She caught two trout, one about 15.25" and one about 16.25". That wasn't fair because I asked her to save some for me. She obviously caught all the fish in the lake. It was gorgeous conditions! I didn't even have to wade through snow to get to the shoreline. My regret, besides not catching anything, was that you are not allowed to have your dog any closer than 100 ft of the water and you all know I very rarely go anywhere without my dog "Petie". Anyway, better luck next time. (Rich Wilson)

*Sarah with her fish. You should have seen the one that got away.*
