

Lakeside Sportsmans Club THE BULLETIN

– March 2018 –

PRESIDENT'S MESSAGE

Ron Baker

Well after a year hiatus I am back, and writing these bulletins doesn't seem to ever get any easier. I wish to thank Dorothy and Luwhana for keeping us all on track for 2017. Here is to a smooth 2018! Although it seems to already have a hiccup. The calendar has a typo on it. Daylight savings for March of 2019 is actually March 10th not March 3rd, so please make a note of that. *(The calendar has been corrected.)*

On a side note I am hoping we can get some lighting in the clubhouse so we don't have to always run the generator just for lights. That would make it much more usable for all of us.

I figured I would just get this out of the way, and while I know we have all had our fill of range safety briefs, but please be sure your targets are below the top of the dirt berms. The round must hit the dirt otherwise it could ricochet and hit a truck or something worse.

(Continued on next page)

Results of the Election:

2018-2019 ELECTED OFFICERS AND BOARD

President	Ron Baker
V. President	Luwhana Kesner
Treasurer	Tom Brown
Property	Joe Nerz
Recording Sec.	Ted Barker
Corresponding Sec.	Rich Wilson
Historian	Jean Wilson

1. Board Member	Phil Bennett
2. Board Member	Robin Bennett
3. Board Member	Ron Kesner
4. Board Member	Wayne Kline
5. Board Member	Ken Lavigne
6. Board Member	Aaron Valdez
7. Board Member	Tiffany Kahlich – appointed by board
8. Board Member	Vacant

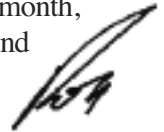

The annual Trophy Presentation and Installation of Board & Officers was held on Saturday, February 24, 2018. Included with trophy presentations was a special plaque that was given to Joanne Norfolk for appreciation of her 23 years of service as Club Treasurer (photo on left). New Board members and Officers, who were present, celebrate their installation after being sworn in by outgoing President, Dorothy Schultz (photo on right).

Make sure you clean up your trash after shooting. While there is a trash can out there, one of us has to take it down the mountain if you don't. Also please close the gates behind you, that way we keep the weirdos out. I heard that's how Clawson got in and those who have been to a shoot know how that turned out.

Now on to club issues and events. We have a fun trap shoot this weekend 3/18 (weather permitting) and Turkey Shoot. It is calling for rain so we will post to Facebook and send a email if it is canceled. You can also email me, but do it before Saturday morning as I will be up at the range this weekend rain or shine and I will not be able to answer once I am on site.

We also have the fishing contest coming up. I will have more specifics by next bulletin, and will be putting it on the Facebook page. Member Eric Kroll will be once again running the show. I have put the 2018/19 calendar up on the Facebook page and I believe you will get a copy with this bulletin via email or US Mail.

I don't have much to talk about this time, but just you wait! Once we get some events going I will have much more to work with. Until next month, I hope to see you all at the events and around the campfire.
