PRESIDENTS MESSAGE.

The Dutch Oven event was a delicious success, and I do mean DELICIOUS. We received outstanding comments on the condition of the campgrounds by the group. BIG THANK YOU to all who attended the work parties and the new caretaker.

Remember nominations for the upcoming election are due soon, so please, I would like all members who have not been on the board give some thought of running for the board.

A committee has been formed and chaired by the VP to make recommendations to change the by laws. The part that states that if a ballot is not returned it will be counted as a yes. In addition trailer usage, storage and storage are will be finalized. In an effort to get inputs from ALL MEMBERS on this issue of trailers the web site has a place to cast a vote. I urge ALL MEMBERS TO VISIT <http://www.the-lsc.org>. Follow the instructions and submit your vote.

A reminder that the Christmas potluck is scheduled for Dec 6th at the BVOA CLUB HOUSE, I urge all members to attend.

Treasurers Report: Report read. No bills to be paid

Trap Report: Rich reported that one trap machine is ready for Mike Alspaugh shoot this coming Sunday – the North trap house. Need to use Ron Kesner’s generator to run. Have enough birds for current shoots. Need a little help for final range cleanup. The postponed Ralston shoot will be made up in February.

Guests: Paul Watkins.

Correspondence: Usual bulletins.

Legislature/Federation: Not much happening.

Property: There’s a possible caretaker coming. Need to clean up the inside of the caretaker house. The cabin key will be in the breezeway so volunteers can clean up. Caretaker will need a phone for communication and set up. Rich W. reported that there was a water leak that emptied the tank. He repaired, but wants to cap the pipe that broke. There were battery problems with the generator but should be ok by the weekend.,

Old Business: Lonise Black has to drop from the board due to a new job. A motion was made by Jeff and 2nd by Rich to appoint Paul Watkins to fill her spot. Passed.

Regarding trailers without current registrations – Rick suggested that we give the option to register or move from the property before deciding to move to storage. Use the logs to see if people aren’t using their trailers. Joanne said some people with non registered trailers have notified her that their registrations are current, but are afraid that the stickers will be stolen if posted at the camp.

Regarding having board meetings at possible free location – Joan Faustman offered to check at the Lakeside VFW.

Follow-up on changing troubled sections of the current by-laws – Jeff moved that a By-law committed be made to review and revise the “no vote is a yes vote” clause to comply with Calif. law and the trailer usage requirement. Luwhana 2nd. Motion passed.

New Business: Paul Watkins was officially sworn in. It was asked about reserving the area near the bathrooms and playground for families with children under 10. Tabled for further discussion.

Paula wants a meeting at the camp to evaluate the status of the facilities – what junk/trash to be removed, etc. Emily moved that the next board meeting be at the camp on Saturday Oct. 18th starting with a lunch potluck and an expanded meeting at 2:00 pm where we walk around the camp and review the condition. Jeff 2nd. Motion passed with 10 yea and 4 abstain

Misc Business: None.

Motion made by Joanne, 2nd by Paula, to adjourn. Passed. Meeting adjourned at 8:00 p.m.
